## Hummingbird Scissor fob

COUNTED CROSS STITCH CHART BY BARBARA ANA DESIGNS

Those of you who love Barbara Ana's colorful and lively patterns will be delighted to hear she has now created a beautiful scissor fob!

The two little cushions in the middle feature hummingbirds. They look so lively, even their eyes sparkle (thanks to a very clever stitching detail explained in the chart). On the reverse you can stitch your (or a friend's) initials as well as the date the project was completed. A full alphabet is provided with the chart.

This is a cleverly designed scissor fob, with a twisted cord that runs accross the cushions, and the beads and ends with a tassel. The chart contains full explanations for assembly.
