COUNTED CROSS STITCH CHART

Express yourself and make this cute little piece very personal by picking your own choice of threads and fabric. Check out the two stitched samples shown here:

- One was stitched over two threads on 25 ct linen using DMC Color Variations in color 4200
- The other was stitched on the same fabric but over one thread, using DMC 498, resulting in a tiny miniature that would make a great card or mini frame.

For easy comparison of the resulting scale we have included some skeins on the picture.

This design lends itself very well to multicolor threads, as you can see in the close-up picture of the piece stitched with DMC Color Variations.
