A story Told in Stitches: A Day in the Garden

COUNTED CROSS STITCH CHART BY AGNES DELAGE-CALVET

Cross stitch designer Agnès Delage-Calvet has come up with a great idea, telling a story that unfolds, ribbon-like, as you stitch it. Once stitched, it can be mounted accordion-style as if it were a little book with "pages".

Mum's watering flowers, Dad's digging up leaks, the younger one is playing with a wheelbarrow while the dog looks on amazed at all the activity going on.

The pattern is full of exquisite details to stitch such as the espalier apple trees, the rows of carrots and turnips in the vegetable patch and the birds perched on the gardening tools.

A Story told in Stitches is designed as a series. Each feature a family having fun spending time together. See the Christmas story below.
