Reindeer Christmas banner

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Agnès Delage-Calvet

This delicate Christmas design is composed of several layers of decorative borders in the middle of which you can stitch the date of your choice. The main motif is a reindeer, featured at the top and repeated in a pair at the base of the banner.

The piece combines cross stitch and delicate backstitch motifs, including some exquisite small border motifs with stars and edelweiss flower, as well a pretty row of beribboned Christmas presents.

The piece is stitched in a single color of solid red. You can easily substitute it with your favorite variegated red floss, or - if you are feeling creative - stitch each row in the color of your choice.

The cross stitch cahrt includes a template and numbers for stitching the year the work was completed.
