**White Lace Square & Borders**

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Agnès Delage-Calvet

Elegant and refined, here is the perfect motif to stitch on the cover of a box. The design is a clever combination of cross stitch and back stitch which gives the stitched piece its lace-like effect.

In addition to the main chart, designer Agnès Delage-Calvet provides 5 extra border motifs which repeat so you can adapt them to any length required. If making a box, these borders can be used to decorate the sides, or line the inside.

The square can also be used for the center of a small square tablecloth. You can stitch matching napkins with the border motifs.

If framing, we recommend stretching the fabric over a padded board, as in the picture, then fitting it into a framebox. The padding provides extra depth to the stitched piece.
