Curly hearts

COUNTED CROSS STITCH CHART BY ALESSANDRA ADELAIDE NEEDLEWORKS - AAN

An elegant heart shape, full of curves and dancing arabesques, with tiny little pink hearts flying away, as if carrying a message.

You'll have a lot of fun stitching this pattern, especially if you personalize it. Designer Alessandra Adelaide picked two lilac tones for her design, but you could easily transpose it and pick your own. She always encourages stitchers to use her patterns as a base and customize the stitching. Each pattern becomes unique. This pattern for instance would be perfectly suited for stitching - parts or the whole - with [iridescent threads](#). You could also highlight the arabesque shapes by back stitching the outlines. There are so many ideas that come to the mind of a stitcher when seeing such a pattern.

This pattern has a companion, [Leaf Heart](#), so you could stitch both a make a pair of cushions.
