## Home Sweet Home

COUNTED CROSS STITCH CHART BY ALESSANDRA ADELAIDE NEEDLEWORKS - AAN

Quite a large piece, this "houses within a house" pattern is a novel idea from the endlessly creative designer Alessandra Adelaide. It's a lot of fun to stitch because you can stitch one of the tiny little homes at a time. Easy to stitch "on the go" or whenever you might only be able to stitch for short periods of time. Adapt the colors to your own home and hang it near the doorway! The design comes in 5 shades of green but you could easily substitute any of your favorite colors, including of course overdyed colors. The piece would also look very decorative when stitched in red or white monochrome on a natural linen background.
