Description:

Leaf heart

COUNTED CROSS STITCH CHART BY ALESSANDRA ADELAIDE NEEDLEWORKS - AAN

This heart pattern is entirely made of leaves carefully arranged together. But once you start looking at the pattern, your mind starts wandering and you can see other imaginary creatures such as a butterfly opening its wings .

You'll have a lot of fun stitching this pattern, especially if you personalize it. Designer Alessandra Adelaide shows the pattern in green monochrome, but she always encourages stitchers to use her patterns as a base and customize the stitching. Each pattern becomes unique. You could "color in" each leaf shape in a different tone of green, in a solid color or in overdyed tones. You may want to stitch a new heartpattern for each season, in various color combinations - imagine how beautiful the colors of fall could be!

This pattern has a companion, [Curly Hearts](#), so you could stitch both and make a pair of cushions.
