CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Alessandra Adelaide Needleworks

In soft hues of pink, an imaginary flower opens up corolla and petals, in layers upon layers of delicate curves and arabesques.

The flower motif is easy to stitch, with a focus on the outlines of stems, leaves and petals. Some areas are filled with ornamental lattice like motifs that let the light come through and contribute to the flower's ethereal quality.

This cross stitch chart of a series of several flowers designs that will look very decorative when framed and displayed side by side on a wall.
