Rinascimental Heart

COUNTED CROSS STITCH CHART BY ALESSANDRA ADELAIDE NEEDLEWORKS - AAN

Sooooo romantic with its pearl like trims!

This baroque heart - entirely outlined in backstitch - will make a fabulous cushion cover for a bedroom or living room but you could also turn it into an fashionable tote bag.

In any case make the most of the decorative effects by personalizing you piece. Designer Alessandra Adelaide encourages the use of specialty threads and embellishments.

This design would be perfect with overdyed or soft multicolor floss colors. You could add highlights of golden metallics and of course beads to emphasize its baroque style. Alternatively you could stitch in white on a raw linen fabric for a subdued but ever so elegant result.
