CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Barbara Ana Designs

Here is the **second part** of a Halloween cross stitch pattern sold in 3 sections. Each part is a strip of landscape and they come on top of each other, framed on each side with a design of a black tree bearing fruit. You can choose to cross stitch this part only on its own, or the complete design.

Here is a view of the three parts stitched together.

This **second part of the pattern** is where the cat appears center stage, sitting majestically on a hilltop and viewing us through yellow eyes. Next to him a witch waves her magic wand and a plant seems sprouts from a fountain, branches loaded with heavy fruit.

On each sides, in the hilly landscape, two houses stand watch with all their lights on. Spiders are weaving their web all around them.

Trees bearing fruit as well as stars and small Quaker cross stitch patterns embellish the background.

The cross stitch tones are soft and warm. The piece is stitched on Zweigart Granite linen, a light khaki that beautifully highlights the range of floss colors, greyish white, orange yellow, and a golden green, in contrast to the black silhouettes.

A cross stitch pattern by **Barbara Ana Designs**.
