Black cat Hollow (Part Three)

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Barbara Ana Designs

Here is the third and last part of a Halloween cross stitch pattern sold in 3 sections. Each part is a strip of landscape and they sit on top of each other, framed on each side with a design of a black tree bearing fruit.

You can choose to cross stitch this part only on its own, or the complete design.

Here is a view of the three parts stitched together. If you'd like to stitch the complete chart, it's best value to purchase the [complete chart](#).

Part Three, the final and lower band, is where you discover the house sitting in the hollow, with its graveled path leading to the door, welcoming bright windows and smoking chimney. Here too the witches are busy, one at her cauldron, two others crossing a lake on a boat. The hilly landscape is full of charm, with trees laden with fruit as well as flowers. Stars and small Quaker cross stitch patterns embellish the sky.

The cross stitch tones are soft and warm. The piece is stitched on Zweigart Granite linen, a light khaki that beautifully highlights the range of floss colors, greyish white, orange yellow, and a golden green, in contrast to the black silhouettes.
