### Butterfly Dreams

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Barbara Ana Designs

Barbara Ana's dreaming girl reappears as a young Asian girl, trim hair cut above her shoulders, colorful cardigan and neat white color. Notice the touch of blue shade on her eyelids and heavily made up eyelashes. A flight of butterflies takes off, wings of cream and light blue contrasting with their dark bodies.

The composition of the design is very attractive with the young woman motionless, lost in her dreams and the contrasting movement of the butterflies heading in a single direction.

The pattern is stitched on a dark natural Lugana fabric that forms a lovely contrast with the bright colors. The stitched piece can be framed in a 7 inch (18cm) embroidery hoop.
