Christmas Hare

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Barbara Ana Designs

Santa's in a real hurry, he's swapped his beloved reindeer for the faster hare. Watch them both racing through the night while everyone sleeps in the village down below.

There is a contrast of haste, between Santa and the speeding hare, and the quiet, peaceful village with snow-covered roof tops.

Notice how designer Barbara Ana plays with colors. Santa is represented in a toned down rusty orange color, which produces a delicate harmony together with the pure white of the hare and the beautiful color fabric (Sea Lily linen by Witchelt).
