CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Barbara Ana Designs

Here's Cock-a-doodle-doo, Barbara Ana Designs' fun cross stitch design featuring a cockerel flipping its wings.

An alphabet is provided with the chart so you can personalize your stitched piece as Barbara herself did.

With plants and a landscape in the background creating a natural frame, this design is quite versatile. You can make it into a small cushion as shown. Or you could frame it. It will look very nice in a kitchen or dining room.
