CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Barbara Ana Designs

Once upon a time there was a mermaid blowing bubbles in the sea....

How about the bigger picture?

Once upon a time, there was a Sea Dandelion, its seeds dispersing in the waters, and a tiny mermaid housed within....

Barbara Ana loves to let her imagination run wild. Her fans will recognize her sense of humour, and all the fun detail she manages to squeeze into a pattern, be it a miniature.

**Creative Poppy suggestion:**

if you do not want to stitch the whole dandelion, you can extract the central motif and frame it into a hoop (see last illustration)
