Deer Dreams

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Barbara Ana Designs

A strange encounter in the woods, a white deer with a pale moon-lit face, an ornate head dress of flowers and mushroom, and tiny Christmas light earrings forming a halo... whimsical as ever, vintage Barbara Ana style.

The deer is wearing a flamboyant jacket with a pattern reminiscent of the 70s, and a luxurious fur collar.

The pattern is stitched on grey Belfast Linen from Zweigart, with a [metallic silver print of tiny stars](#). It includes a couple of DMC Variations threads that add tiny variations of color in the hair in particular, as well as in the jacket motif.

A cross stitch pattern by Barbara Ana Designs.
