Dreaming Miss Claus

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Barbara Ana Designs

In Barbara Ana's Dreaming Girl series, here comes Miss Claus!

The design comes in soft wintery colors with Golden star highlights against the blue Winter sky.

The cross stitch pattern lists 11 DMC floss colors and 1 gold metallic from the Kreinik range. It is designed to be stitched on a medium-dark blue/grey, such as 32 count Murano (Lugana) evenweave from Zweigart, in color Colonial Blue (522).

The design can also be stitched on a neutral color fabric of your choice such as Belfast dirty linen (326).

A third option is a festive print: Zweigart Belfast grey/silver stars print (7459). It's a slate grey with tiny silver stars printed that will provide a sharper contrast with the snowy white atmosphere and look cute and Christmassy in the background.

Once finished, the design measures 6 1/2 inch x 4 1/2 inch (16.7 cm x 11.5 cm). It can be mounted in a square frame (7" x 7" - 18 cm x 18cm) where the base of the stitching is aligned with the lower part of the frame and there is plenty of space above for the "sky".
