CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Barbara Ana Designs

This cross stitch portrait designed by Barbara Ana is evocative of Latin America, tropical climates, luxuriant nature, precious gold jewelery. Close your eyes and you too will become a dreaming girl.

Barbara Ana is fascinated by the region, the fiery, passionate temperament of its inhabitants, like that of Frida Kalho. This new portrait of a native American explores the rich culture and civilizations of pre-Columbian America.

The cross stitch pattern is quite colorful and those lovely colors stand out against the smokey blue background. The chart lists 13 colors all DMC stranded cotton except for 1 DMC rayon floss in a lovely golden hue evocative of the precious metal.

It is an easy stitch on 25 ct Lugana evenweave from Zweigart, the manufacturer's most popular fabric. The [Pacific Blue Metallic Lugana](#) fabric includes some turquoise blue filaments that add sparkle to the background of your stitching.
