The Fortune Teller

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Barbara Ana Designs

Eyes closed, she is concentrating hard, focusing on her vision of our future.... Her right hand holds a mysterious bowl, her left a lit candle. Her curly hair flows out from a tight-fitted turban, a golden key hanging from her ear. Her clothes and jewelry are reminiscent of Arabian nights, all bright silk colors, precious stones and gold that suit her dark complexion.

Her head gear is quite extraordinary. Is it a turban? a helmet? are these antlers protruding from her head? A lazy cat is resting on one side, magic potions are balanced on her head, flowers and feathers hang from the sides as well as an image of a wide-open eye that seems to be fixing us.

The threads used for stitching this awesome pattern are all DMC cotton, yet the combination of colors and shading creates a luxurious effect. The background fabric chosen for this design, Beige Glitter Murano evenweave (Zweigart) is interwoven with iridescent filaments that add to the plush feel.
