The Fruit thief

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Barbara Ana Designs

This piece by Barbara Ana comes in soft hues of faded blue and brown. It's deliberately low key and combines some of the designer's favorite themes such as the small houses in the background, the startled cat, and most importantly the oversize thief about to fly away with its precious prize, to the dismay of the little lady in the foreground.

The piece was stitched using one strand of embroidery thread over two threads, on 40 ct. linen and finished as a small cushion.
