Mushroom Dreams

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Barbara Ana Designs

This mysterious design is actually several patterns in one. A heart pierced by an arrow has been engraved in the trunk of the sturdy tree at the base. Its branches hold a heavy load of foliage. But out of the canopy appears a dreaming girl. Is she the spirit of the forest?

Look close and you will notice a mountainous landscape of fur trees behind her. Her lace-like bodice features a black silhouette of a butterfly. All around the "tree" mushroom are popping out as if they were growing in front of our eyes. Barbara Ana's leitmotif themes (the top hat with pins, the hanging keys, the lantern) add mystery to this patterns shrouded in autumnal light.

The pattern includes some Gold metallic highlights.
