Join the fun with Barbara Ana's new SAL!

We won't reveal much so that it will come as a complete surprise. All we can say is that it is evocative of Portuguese culture and its profoundly melancholic and moving music.

The piece comes against a dark cobblestone background, in 32ct Zweigart Murano* evenweave in color 7025, that is a good backdrop for the luminous colors of the design.

* 32 ct Murano fabric is sometimes referred to as 32 ct Lugana in some countries.
