CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Barbara Ana Designs

A Halloween bouquet in a flower vase in the shape of a dreaming head, with tiny witches busying themselves among the autumn blooms, here is Barbara Ana's latest Halloween design.

Designed to be stitched on Murano evenweave (the 32ct version of Zweigart's Lugana), the pattern measures less than 80 x 80 stitches and will easily fit into a 6 inch hoop. Murano evenweave is a great fabric to stitch on, is perfectly regular and doesn't crease.

The pattern comes in two colorways, one with a terracotta background and more colorful contrasts (pictured stitched), the other on a purple background, features yellow and orange blooms and black outlines. Which one will you pick? This might be the most difficult decision, after that, just enjoy the stitching!
