CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY **Barbara Ana Designs**

A New World is a story told in stitches by **Barbara Ana**, in 5 episodes. This is part 3 .Each part is released separately so you can stitch a piece at a time and later assemble the parts as shown in the framed picture above.

A New World - Part 1: The night of all Fears

A New World - Part 2: Plentiful Meadows

A New World - Part 3: Deep in the woods (current page)

A New World - Part 4: A visit to town

A New World - Part 5: Over the seas

Deep in the woods, part 3 of A New World, features a bear family dwelling in a log cabin, in the forest. Mother Bear has just caught a fish. Nearby the rest of the family is picking fruit and flowers. A bird tends to her chicks, butterflies fly, mushrooms grow in the shade of a tree. A fox stares suspiciously at the visitor about to disturb the tranquil forest life.

The range of colors is cheerful and lively. The stitching is straightforward, only cross stitch, and the same embroidery floss colors are used for all 5 parts. Each piece is stitched separately on a different piece of color linen from the Zweigart range. Parts were then assembled leaving an unstitched margin (8 to 10 stitch wide) on each side of bands. We have provided a list of colors below should you want to source your fabrics in one go.

Fabric: 32ct linen from Zweigart

Colors:

- part I: Purple passion
- part II: Dark cobblestone
- part III: Dirty linen
- part IV: Blue Spruce
- part V: Limestone
