CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY **Barbara Ana Designs**

A New World is a story told in stitches by **Barbara Ana**, in 5 episodes. Each new part is sold separately so you can stitch a piece at a time and later assemble the parts as shown in the framed picture below.

[A New World - Part 2: Plentiful Meadows](#)

[A New World - Part 3: Deep in the woods](#)

[A New World - Part 4: A visit to town](#)

[A New World - Part 5: Over the seas](#)

It starts in a village, a witches' village, houses huddled together and the black clad ladies and their cat running the place.

There will be more to come, a scene in the prairie, a walk in the wood, a trip to town, and last but not least, the voyage at sea. Each new part will be released monthly so you can stitch a piece at a time and assemble the parts as shown in the framed picture.

The range of colors is cheerful and lively. Each piece is stitched separately on a different piece of color linen from the Zweigart range. The stitching is straightforward, only cross stitch, and the same embroidery floss colors are used for all 5 parts.

This piece was stitched on 32 ct. Dark Cobblestone Linen from Zweigart. Each part is stitched separately on a different piece of color linen from the Zweigart range. Parts were then assembled leaving an unstitched margin (8 to 10 stitch wide) on each side of bands.

We have provided a list of colors below should you want to stitch the whole piece.

Fabric: 32ct linen from Zweigart

Colors:

- part I: Purple passion
- part II: Dark cobblestone
- part III: Dirty linen
- part IV: Blue Spruce
- part V: Limestone
