A New World - Part 1: The Night of all Fears

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Barbara Ana Designs

A New World is a story told in stitches by Barbara Ana, in 5 episodes. Each new part is sold separately so you can stitch a piece at a time and later assemble the parts as shown in the framed picture below.

A New World - Part 1: Over the seas (current page)

[A New World - Part 2: Plentiful Meadows](#)

[A New World - Part 3: Deep in the woods](#)

[A New World - Part 4: A visit to town](#)

[A New World - Part 5: Over the seas](#)

It starts in a village, a witches' village, houses huddled together and the black clad ladies and their cat running the place.

There will be more to come, a scene in the prairie, a walk in the wood, a trip to town, and last but not least, the voyage at sea. Each new part will be released monthly so you can stitch a piece at a time and assemble the parts as shown in the framed picture.

The range of colors is cheerful and lively. Each piece is stitched separately on a different piece of color linen from the Zweigart range. The stitching is straightforward, only cross stitch, and the same embroidery floss colors are used for all 5 parts.

This piece was stitched on 32 ct. Dark Cobblestone Linen from Zweigart. Each part is stitched separately on a different piece of color linen from the Zweigart range. Parts were then assembled leaving an unstitched margin (8 to 10 stitch wide) on each side of bands.

We have provided a list of colors below should you want to stitch the whole piece.

Fabric: 32ct linen from Zweigart

Colors:

- part I: Purple passion
- part II: Dark cobblestone
- part III: Dirty linen
- part IV: Blue Spruce
- part V: Limestone

Barbara Ana excels at telling stories... in cross stitch. As you stitch her designs, you'll always come across lovely and fun details that make the stitching interesting from start to end.
