COUNTED CROSS STITCH CHART BY BARBARA ANA DESIGNS

The great thing about Barbara Ana's designs is that every single part of the pattern is interesting to stitch. This Thanksgiving cross stitch pattern is no exception: whether you are stitching the small leaves (done in a few minutes!), the lovely mosaic of colors of the "indian's" face, the braids embellished with seed beads, or the interesting texture of the "pilgrim" (with the use of a multicolor thread stitched vertically), every stitch you make is exciting!
