Barbara Ana - Christmas Joy (cross stitch pattern chart)

## Christmas Joy

COUNTED CROSS STITCH CHART BY BARBARA ANA DESIGNS

Here's an attractive cross stitch sampler by Barbara Ana, featuring one big tall Santa in the right hand corner and lots of fun Christmas motifs all around. This is an interesting mix of primitive and contemporary styles, typical of Barbara Ana's work.

The highlights of the cross stitching, such as the reindeer, are in bright reds from the DMC variations range which lend the stitched piece a warm, rich texture. The other colors softly blend into the background, so the closer you look, the more detail you discover.

This piece was stitched on Vintage Country Mocha needlework fabric from Zweigart, gently blending the background with the stitching.
