Lemurtine Tree

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Barbara Ana Designs

Be my ... Lemurtine!

Valentine's day is also for loving animals, especially the ones most threatened on our planet such as the darling ring-tailed lemurs only found in Madagascar in smaller and smaller numbers.

Barbara Ana's healthy dose of needlework humor with a serious message too.

The pattern includes the words: Love is the key and also two small areas for signing and dating your stitched piece. A cross stitch alphabet is provided for personalization.
