Midnight (Tis the very witching...)

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Barbara Ana Designs

Here's Midnight, Barbara Ana Designs' cross stitch pattern inspired by a verse by William Shakespeare.

"Tis the very witching time of night"

It's stitched on Antique white linen in wonderful hues of blues and beige, in the designer's characteristic mix of primitive style and personal whimsical themes. Though the two witches and cats are a hint of Halloween fun, the classic composition and choice of colors make it a year-round sampler that will look good in any room.

The framing of the piece is very original. The stitched fabric is framed between two panels of antique looking fabric, with a unique combination of extra large stitches and felt "pennies", adding extra interest to the work. Detailed mounting instructions are included with the chart.
