COUNTED CROSS STITCH CHART BY BARBARA ANA DESIGNS

Makes a pretty and cheerful gift for a friend or loved one.

Stitching tip: select a contrasting fabric so the white flowers stand out. Depending on the fabric count, you may want to use 3 strands so that the white covers the background well. More generally, when stitching with light colors on a colorful or dark background, it's always a good idea to test if three strands work better than two for those pale floss colors.

Chart includes detailed instructions for mounting the biscornu.
