Nature's beauty

COUNTED CROSS STITCH CHART BY BARBARA ANA DESIGNS

"Take time to admire nature's beauty"

Barbara Ana has designed a fun little humbug-shaped ornament with a poetic line running all around it. The pattern features several happy characters surrounded by birds, plants and animals.

A little reminder that if we care for our planet, our planet will take care of us!

The instructions for mounting the humbug shape come with the chart.

The chart is a lot of fun to stitch with a dozen colors from the DMC Color Variations range that add depth to the stitching.
