Olivia, the fairy witch

COUNTED CROSS STITCH CHART BY BARBARA ANA DESIGNS

Olivia is half-witch, half-fairy...

So lady-like, hanging onto her handbag,

so dainty with her luminescent wings,

so much in control as she waves her magic wand and oversees the preparation of some mysterious overflowing green fluid....

Her yellow-eyed cat knows he had better behave lest he run into trouble....

Olivia is stitched with many exciting threads. Her wings are made of [Glow-in-the-dark](#) thread. The green liquid coming out of the cauldron is in fact green [fluorescent floss](#) and her dress is a luminous palette of red, pink and orange multicolor threads from the DMC Color Variations range.

This piece was stitched on 14ct DMC Linen Aida.

The chart can be stitched with either versions of text:

"Trick or treat" or "Abracadabra" (alternative text).
