**Description:**

Bordeaux & Chateau Margaux - Wine labels  
COUNTED CROSS STITCH CHART

1987 was a very good year for Bordeaux wines. If you are not lucky enough to have some in your cellar.... there are still plenty of stitching ideas you could use these classic wine label designs for and that make lovely gifts, especially those hard to find gifts for men:

- A wine journal (stitched cover)
- An extra generous kitchen apron
- Table mats, napkins, tea towels and more!

The current labels include the words "Wine journal" and "Wine lover". However, the designer included two alphabets and grids so that you could personalize your own message on the labels!

A design by **Monique Bonnin**. [Visit her store.](#)
