COUNTED CROSS STITCH CHART BY **MARIE-ANNE RETHORET-MELIN**

Cross stitch one block or motif at a time, whenever you have a minute, and this pretty kitchen design will soon be done! The color effects variations within the pattern are due to the use of DMC Color Variations (no thread color change required).

Stitching tip: Stitch a cross at a time to emphasize the variations in the color of the thread.

This monochrome pattern can be stitched in any color to match the decoration of your kitchen. Marie-Anne suggests a blue alternative but you could pick any soft multicolor of your choice to get the exact color you're looking for.

This pattern is great for framing on the wall but can also be stitched on the cover of a recipe book, on an apron or a tea towel.
