Baby Mobile  
BLACKWORK CHART

A pretty gift idea to stitch for a newborn baby. These 6 little squares can be stitched and turned into minicushions to hang above baby's crib. Alternatively, because of their size, these patterns will make great motifs for cards.

All six cushions are stitched on a special Aida printed with light pink or blue stripes, from the DMC Impressions needlework fabric range. This adds extra interest to the stitching.

There is a matching [baby cushion](#) also in blackwork.

The stitches are dominantly backstitch, with a few additional cross stitches.
