**White flower borders  
COUNTED CROSS STITCH CHART**

A tender mix of flowers and geometric forms, simply stitched in white on a natural linen fabric. This design is ideal for a cushion but you could equally adapt it to a small pouch or even a tablecloth or a pair of curtains! Each of the border elements of this design can be extended as much as needed.

Decorate your bathroom too! You could also stitch some elements of this design on some white terry towels (with woven Aida band), using a natural linen color thread such as DMC 644.

A design by Agnès Delage-Calvet.
