## Car keys - Keyring

COUNTED CROSS STITCH CHART BY CHOUETT'ALORS

You won't ever lose your car keys anymore with such a cute little keyring!

The pattern is a monochrome design and will look its best when stitched with your favorite overdyed, variegated or or light multicolor thread - in any color, such as one that matches the color of your car!

To keep the pattern nice and cute, you might want to stitch it on 25ct evenweave, over one thread. Or you can also cross stitch the pattern on 18ct Aida.

This will make a lovely gift for anybody who has just bought a new car or just passed their driving licence.

A cross stitch pattern designed by Chouett'alors.
