All Along Winter time

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Couleur d'étoile

This cross stitch pattern is a combination of mini motifs assembled box like into a frame, with one corner embellished with snowflakes and the other with holly and red berries. While the piece is mostly stitched in white floss, there are here and there red and green highlights such as the heart motif and the tiny wreath.

This serene winter scene is perfect for adding a seasonal touch to your home deco for the festive season.

The piece was stitched on grey evenweave. You could however stitch it on many other fabric background colors such as raw linen or light blue for example.
