Wimsey

COUNTED CROSS STITCH CHART BY GRACEWOOD STITCHES

Kathy Bungard designer of Gracewood Stitches describes the pattern in her own words:

"Wimsey" is the first in a series of patterns depicting panels of Art Nouveau themed designs. The model for Wimsey is stitched in shades of green and gold for a lighter feeling, but other combinations of just four colors would produce something uniquely your own.
Happy Stitching!

Creative Poppy says:

This pattern was stitched in spring-like colors. It could have a very different feel when stitched in darker colors, such as red or purple. Variegated and nuanced overdyed colors would work well too.

If you want to reduce the size of the pattern, you can split the pattern vertically and only stitch one half. However, make sure you use the decorative end element of the 2nd border motif to finish its "box".
