## **Christmas Star**

COUNTED CROSS STITCH CHART BY FABY REILLY DESIGNS

A new and original shape to stitch!

This ornament has been carefully designed by Faby Reilly so that once mounted, the stitched piece is the shape of a nicely stuffed Xmas star. A backstitch outline (differing slightly for the back part so as to add volume) is supplied with the chart and serves for mounting the star ornament. You can either attach a little loop at the top for hanging or fix a large ribbon at the back if you want to tie the ornament at the top of the Xmas tree.

Faby Reilly also offers a freestep-by-step tutorial for mounting the star shape. The tutorial is available for download on our [free tutorials page](#).

This lovely star-shape is part of Faby Reilly's collection of [Christmas ornaments](#), ll in interesting shapes. They're so cute you'll want to collect them all!

While the stitching is richly decorated with specialty stitches and beading, as usual, Faby Reilly supplies cristal-clear double charts, one with the underlying cross stitch, the second one with the decorative stitches. You also get a choice of Black and White or Color depending on your preference.
