**Apple blossom Needlebook**

## Apple blossom Needlebook

COUNTED CROSS STITCH CHART BY FABY REILLY DESIGNS

This is a small and extremely pretty needlebook designed to hold your needles and pins nice and tidy. The delicate petals of the light pink flower are stitched in a combination of cross stitch and backstitch as well as some beads.

The design wraps around the front and back of the needlebook and there are some more minimotifs inside the covers. Detailed instructions for mounting and finishing the needlebook come with the chart.

There are many shapes available in the beautiful of apple blossom theme designed by Faby Reilly, including a complete collection of matching stitcher's accessories (needlebook, scissor case, biscornu acting as a pincushion and even an ortbag). There is also a greeting card (with Love) and some pretty sachets to fill with scented pot-pourri.
