Faby Reilly - Apple blossom sachet (2 bags) cross stitch pattern chart

## Apple blossom sachet (2 bags)

COUNTED CROSS STITCH CHART BY FABY REILLY DESIGNS

Here are two different sachet shapes that you can stitch and stuff with scented pot-pourri.

The larger bag has a hole at the top designed to be tied with a ribbon (and you can refill too!).

The smaller one is a small cushion type bag, designed for hanging (ideal for a car freshener for instance). Embellish with some trims and trinkets.

Both items have a different pattern to cross stitch on each side. The chart comes with an extensive tutorial for finishing the bag-shaped sachet.

This project makes a beautiful hand-made gift. There are several more little gift-type items in the apple blossom series, check them out!
