Faby Reilly - Aniel the Angel pendant (cross stitch pattern chart)

Aniel the Angel pendant

COUNTED CROSS STITCH CHART BY FABY REILLY DESIGNS

This Music-themed cross stitch design is the 6th in a beautiful series of [pendant shaped Christmas ornaments](#). The ornaments have 3 sides with matching motifs, an exclusive design by Faby Reilly.

The first cross stitch motif features Aniel the golden hair cherub angel singing Christmas carols.

Music instruments occupy the second side, with a red beribboned lyre and horn. The delicate strings of the lyre are fine golden threads.

The third motif is a Christmas candle.

The motif makes use of DMC's Color variations threads which add interesting hues to the stitching. Gold threads are also used as well as a diamond eyelet specialty stitch.

The chart comes with an extensive step by step tutorial for finishing the pendant-shaped ornament as well as for the specialty stitch.

Creative Poppy tip: Once you have stitched your pendant, hang on to your chart. It will be handy for stitching gift tags, cards and other small Christmas items.
