Flake Buddy Bug

COUNTED CROSS STITCH PROJECT BY FABY REILLY DESIGNS

This Buddy Bug is a snowman, snug and cosy in a fluffy scarf. He's wearing a top hat with a hole on top and carrying a broom. His body is a humbug shape and is cross stitched but the Buddy Bug is much more than just a cross stitch pattern: Every single item of his outfit is hand made - and designer Faby Reilly takes you through every single step with detailed photos and very precise instructions. You'll love making the hat and the broom. You can even knit the scarf (optional)!

You can personalize the base of the snowman with a message (cross stitch alphabet provided). Ideal for a gift!

The Buddy Bugs are a fun series of cute and lovable little creatures designed by Faby Reilly. Each project comes with both a cross stitch pattern and an extensive tutorial guiding you step by step for finishing your humbug. See more Buddy Bugs below.
