Faby Reilly - Wild Rose Needlebook (cross stitch pattern chart)

Wild Rose Needlebook

COUNTED CROSS STITCH CHART BY FABY REILLY DESIGNS

You'll recognize immediately this pretty wild flower that grows along fields and hedges. The heavy red hanging fruit are very characteristic too.

A keen observer of plants, Faby Reilly captures in cross stitch the essence of the flower, its wide open petals, its golden heart, its prickly leaves and dark red fruit. There are some metallic highlights as well as seedbeads adding a dimensional effect to the stitching.

The main pattern runs across both front and back cover of the needlebook, with a secondary geometric background wrapping around the inside pages too. The pattern comes with an extensive tutorial, guiding you step by step for the finishing of the needlebook.

There is a matching [Scissor Case and fob](#) (sold separately) so you can stitch a complete collection of accessories.
