## **Christmas Biscornu (wreath version)**

COUNTED CROSS STITCH CHART BY FABY REILLY DESIGNS

This beautiful Xmas wreath is composed of Christmas roses, holly, poinsettia flowers and mistletoe. It wraps itself beautifully around a biscornu shape.

This shape is ideal because the hollow in the middle and the cushion like shape emphasize the beautiful stitched area of the wreath. Some more decorative motifs are stitched on the back and show on the sides of the biscornu.

There are plenty of ideas for using this biscornu. It can serve as a centerpiece for a wreath or for decorating a table. You can also hang it as an ornament. If you decide not to turn it into a biscornu it will make a beautiful central motif for a cushion cover or a tablecloth.
