Description:

Lily of the valley Biscornu

COUNTED CROSS STITCH CHART BY FABY REILLY DESIGNS

With an expert eye, designer Faby Reilly captures the essence of the delicate lily of the valley, gracefully wrapping the design around a biscornu. The back of the design is also stitched with a different pattern so both parts of the design meet on the sides of the biscornu.

The needlework is embellished with tiny white beads as well as "sequin eyelets" a combination of stitches and sequins that adds extra refinement to the piece. All specialty stitches come with step by step instructions and photos.

The center of the biscornu is adorned with the tiny white bells of the flower. Tie a ribbon and it will make it perfect for a wedding ring cushion.

If you enjoy stitching this biscornu, don't miss the other flower in the collection that already include violets, peonies, irises, apple blossom, lotus flowers, lavender, poppies, cornflowers, buttercups and more!
