NEEDLEWORK PATTERN READY TO DOWNLOAD, DESIGNED BY Faby Reilly Designs

**Anthea - Greek for Flower** - is a collection of 12 cross stitch floral designs, one for each month of the year.

The August motif features a combination of hydrangea flowers and lisianthus. The petals of the hydrangea are wide open forming a pleasant contrast with the folded ones of the lisianthus

Each floral motif of this calendar can be stitched:

- either with the name of each month
- or customized with the name of a person, or words of your choice

An alphabet chart (caps and lower case) as well as a blank chart for positioning letters are provided with the chart

These designs make great Greeting cards and Birthday cards that follow the seasons. You can also stitch all the months of the year, creating a perpetual calendar where you rotate the design each month.

This chart is an intermediate level. It includes eyelets stitches over sequins, as well as beads and corresponding tutorial for each stitch.

The pattern is designed in two user-friendly steps. The first chart is cross stitch only. A second chart covers the extra backstitch detail as well as the specialty stitch embellishments and seed beads.

Threads include solid color DMC floss and DMC Color Variations.

A step-by-step tutorial for framing your work also comes together with the chart.
